Quality Assurance Scheme (QAS)

Barind Medical College has intended to deliver a high quality medical education since its inception. All the components of Quality Assurance Scheme for medical colleges in Bangladesh have been in effect here since March 2014, Academic Council, Academic Coordination Committee, Phase Committees, Faculty Development Committee & Pair Medical College Visit etc. were functioning as per instruction of QAS. Different bodies like MOHFW & DGHS, BM & DC, Rajshahi University, Centre for Medical Education, Dhaka periodically visit the BMC for assuring the quality of education and consequently health care delivery.

Provision of Foreign Student Co-ordinator

BMC has a separate office and foreign student coordinator to provide essential services as adequately to the future and present foreign students. Major services are: make available sufficient information regarding admission process; to provide pre-arrival information; reception of every new student by BMC official representative at the first entry point (Airport/land immigration check post) in Bangladesh and provide all sorts of supports to settle in BMC campus specially regarding accommodation, orientation and Immigration formalities. Foreign student's office always ready to provide all sorts of services needed by the foreign students as and when required.

Our Vision and Mission

Barind Medical College strives to be the centre of academic excellence, providing medical education and training of the highest standard at graduation level and be a leader in care, research and innovation in the field of medical sciences and technology in Bangladesh and abroad.

- To create facilities which is conducive to achieve academic services and research excellence in medical sciences.
- To consolidate and improve training and development of quality human resources in the field of medical sciences especially
- To meet the requirements of the nation
- To provide exemplary services in medical care
- To acquire and provide technology transfer
- To be the reference centre for services and consultancy, health and manpower training
- To provide cost effective modern health care services at the deprived zone, Rajshahi to serve the humanity
- To create opportunity for the doctors and other professionals to work at the highest level of academic environment

Why choose Barind Medical College (BMC)?

Beautiful Campus : The campus of Barind Medical College & Hospital is extended over an area of 3 acres (approx.) of land situated in the beautiful, calm and quiet, and well communicated location of Rajshahi city.

High Quality Education: Faculty includes highly qualified, experienced and dedicated teachers with academic, clinical and research expertise.

Exposure to Patients : Students are exposed to dealing with patients in indoor, outdoor and emergency department as a part of their regular clinical teaching and learning process. This allows students an opportunity to practice communication, interviewing and data gathering skills, as well as physical examination and patient assessment techniques in rural and urban population.

Affordable Tuition–Fees : Tuition Fees of MBBS course for both Bagladeshi as well as foreign students are affordable compared to any other Medical colleges in the country and abroad.

Mentoring : Every student, from the first year is assigned to a particular teacher for mentoring. The mentor monitors the selected student up to final year and helps him/her to overcome the academic or at times, non–aca–demc problems.

Multicultural Environment : Nearly about 50% of the students in BMC are foreigners from different parts of India, like West Bengal, Asam, Kashmir, Rajasthan, Delhi, and Nepal. Admission in BMC facilitates opportunity for students to be exposed to a multiple cultural environment which enriches their knowledge and experience.

Administrative Structure : Efficient administration of BMC is capable of solving problems quickly and effectively. The Board of Directors, Gov–erning Body, Academic Council, Disciplinary Committee and Departmental Heads take care of administrative and academic affairs. The top admini–strative team of BMC consists of some exceptionally talented personalities with national and international recognition.

Excellent Accommodation : BMC has excellent hostel facilities for females and foreign students. BMC hostels offer clean, safe and furnished accommodation for Its students. The hostels are located adjacent to the college campus within walking distance. Hostels are supervised by an experienced and dedicated hostel superintendent. of the foreign students as and when required.
