Donetsk National Medical University (DNMU) was the first medical university of Ukraine which was recognized by World Health Organization (WHO) and from Directory of I-Med Schools and the first medical university in Ukraine and in eastern Europe who started the faculties of Medicine and Dentistry in the English language for foreign students in 1991 after the independence of Ukraine.

Donetsk National Medical University (DNMU) is the best and the largest medical university in Eastern Europe. Donetsk National Medical University (DNMU) was established in 1930 as M. Gorky Donetsk Medical Institute. After the Second World War, Institute was renamed to Stalino Medical Institute. In 1967 the institute was again renamed to M. Gorky Donetsk State medical Institute. In 1994 DNMU was given the status of University and in 2008 DNMU has got the status of National Medical University and it was renamed to M. Gorky Donetsk National Medical University. In 2015 according to the order of Ministry of Health of decommunization, University name was changed to Donetsk National Medical University.

POST GRADUATE EDUCATION All in Medical Fields | **Duration:** 2 - 3 years

PRE-MEDICAL COURSE: This is a Russian intensive program for students wishing to continue their studies at the DNMU or any other university in Ukraine. The duration of the preparatory course is one year. Upon successful completion a diploma is awarded.

FOUNDATION COURSE: This course is specially designed for the foreign students who do not have the necessary requirements for the undergraduate programs and also it helps to enable students to bridge the gap between school and University. The duration of the foundation course is one year.

In connection with the Russian and Ukrainian Conflict on Donbass Region, The main campus of University was moved to Mariupol City (where two faculties of DNMU were located before), due to conflict, the administration and staff of the university decided to relocate the campuses all over Ukraine. Today DNMU has four campus which are Mariupol Campus, Kirovohrad (Kropyvnytsky) Campus, Chernihiv Campus and Kramatorsk Campus.

Kirovohrad (Kropyvnytsky) Campus

Mariupol Campus

Chernihiv Campus

Kramatorsk Campus

DNMU courses are confirmed with The Constitution of Ukraine, Ukrainian legislation acts issued by the President and the Cabinet of Ministers of Ukraine, Decrees of the Health Department and Education Department of Ukraine, the University Rules. It is most promising to foreign students among other Ukrainian medical universities due to its highest ranking, high level of specialist training, high tech laboratories, good knowledge of English language of the staff, campus system of the university.

Today more than 15,000 students are studying at eight faculties of university. Due to the high level of specialists training and considerably low tuition fees, it is considered to be one of the best Ukrainian medical universities for the foreigners. In total, more than 52,000 highly qualified doctors, well-known scientists, researchers, health service organizers from Ukraine, Russia, other CIS countries and as well as from 96 countries of the world from Africa, Asia, Europe, and Americas have graduated from the university.

The academic year is divided into two semesters. 1st semester starts in September and lasts till January. The 2nd semester starts in February and lasts till mid of July. The studies at the University start on the 1st of September, at the pre-medical department - on the 1st of October every year. Within the week there are 5 working days, Saturday and Sunday are holidays. The studies are scheduled from 8.00 to 16.00. The student's working week comprises 54 hours; within this time period there are 36 lecturing hours and 18 hours for independent work.
