

UNIVERSITY OF PERPETUAL HELP

University of Perpetual Help System DALTA

University Library

The University library and media center is a collaborative venture in which school, teachers, and administrators work together to provide opportunities for the social, cultural, and educational growth of students.

Modern Equipment & Facilities

The University continually updates its modern facilities and equipment to prepare students with the required skills for evolving industry needs.

Sports and Athletics

Perpetual Help maintains a distinguished tradition of student participation in sports. The Sports Department's Intramural Sports Program is designed to encourage student involvement in sports activities. The department also supports the national development of athletics through its rigorous training of athletes who regularly compete in local, national, and international sports leagues.

Performing Arts Group

The Performing Arts Group is the umbrella organization of all artistic activities in the fields of music, theater, song and dance which serve as a haven for student-artists from various colleges of the University of Perpetual Help System DALTA. It is a point of convergence for young student-artists armed with the desire to become performing artists who shall make the nation proud.

Fast facts about Philippines

Population: Philippines's 88.1 million strong population is a mix of different cultures which includes Malay, Chinese, Americans, Spaniards and Indians.

Climate: Philippines has a tropical climate, with an average temperature of 21 degree celcius to 32 degree celcius which makes Philippines coolest in January and warmest in May.

Food: The Philippines cuisine is a fascinating blend of Malay, Spanish and Chinese cultures. To the Philippine food is important as it is an integral part of local art and culture as well as communal existence. As with other Asian countries rice is their staple food and will be served with most meals.

Currency: Peso (1 Philippine Piso is approx 1.33 Indian Rupee)

Language: Filipino and English are the two official languages of Philippines and English is more widely spoken.

Economy: The Philippines is a newly industrialized country with an economy anchored on agriculture but with substantial contributions from manufacturing, mining, remittances from overseas Filipinos and service industries such as tourism and, increasingly, business process outsourcing, to which it is known for having one of most vibrant BPO industries in Asia. The Philippines is listed in the roster of "Next Eleven" economies.

International Doctor of Medicine Program (BS+MD)

www.saraswationline.com

**University of Perpetual Help System Dalta
Jonelta Foundation School of Medicine**

The University of Perpetual Help Rizal JONELTA Foundation School of Medicine was established in June 1996, as an extension school of the Perpetual Help School of Laguna for Medicine and Allied Health Science and was thus known as the Perpetual Help College of Medicine- Rizal (Extension School), with Dr. Aretas P. Singson- Alday as its Founding Dean. On April 20, 1997 by virtue of Resolution No. R95-57 series of 1997 of the Commission on Higher Education, the Perpetual Help System Campus in Laguna and Rizal became the University of Perpetual Help Rizal College of Medicine.

Through the efforts of its President, Dr./BGen Antonio L. Tamayo and wife, Daisy and its founding Dean, Aretas P. Singson-Alday, MD the Medical institution was granted autonomous status by the Commission on Higher Education on November 7, 1997 and became the University of Perpetual Help Rizal JONELTA Foundation School of Medicine. Paying tribute to the patriarch and matriarch, Dr. Jose and Nena Laperal Tamayo whose vision for education became a legacy and the Perpetual Help System a living testimony to its ideals.

Why Study Medicine in Perpetual Help?

- Faculty are graduates of prestigious schools here and abroad (Harvard, University of London, UCLA, UC Davis, UP, UST, De La Salle, PLM, FEU, etc.) with masteral and doctoral degrees in education, epidemiology, and the social sciences.
- Review classes for the Medical Board Exams are given to graduates
- A mentoring program is available for all students
- Students are intensively coached for interschool debates, quiz shows, and research competitions.
- Parents-faculty meetings and interactions are regularly conducted.
- Internship is available at the University of Perpetual Help Dalta Medical Center (UPHDMC).
- UPHDMC has a placement office for medical graduate seeking opportunities to work abroad.
- Our graduates have a 100% passing rate in the USMLE.
